ROOMVENT 2022 CONFERENCE

The 16th **ROOMVENT** Conference (ROOMVENT 2022) will be held September 16-19, 2022, in Xi'an.

China Committee of Heating, Ventilation & Air-conditioning (CCHVAC), **Xi'an University of Architecture and Technology** (XAUAT) and **Umeå University** (UMU) are proud to jointly host the conference.

ROOMVENT is a well-established conference series within the discipline of ventilation research in both industrial and non-industrial premises, first held in 1987 in Stockholm. It is the leading international event in the area of ventilation and air distribution in rooms. It has always been well attended by researchers and academics from worldwide.

ENDORISING ORGANIZATIONS

WELCOME TO XI'AN, CHINA

ROOMVENT 2022 CONFERENCE will be held in **Xi'an China** on **16-19 of September**.

Xi'an, known as "Chang'an" in ancient times, is one of the four world's most famous ancient capitals. Thirteen Dynasties including the Western Zhou, the Han, the Sui and the Tang established their capitals here. The city's capital status lasted for more than 1100 years. As regards the number of dynasties, the span of time and the influence in Chinese history, Xi'an ranks first among Chinese ancient capitals.
